TRANSKRYPCJA NAGRAŃ

Zadanie 1.

I like my school very much. It is the place where I meet most of my friends and where I can learn many things. It may seem funny but this is one of the best places I have ever been to. The teachers are nice, most of my friends too, so I don't have any reason to say I don't like school. Of course there are subjects that are difficult but I can always ask the teacher to help me, or a friend who is good at a particular subject. The only thing I don't like about my school is that there are short breaks and we have little time to talk. We which means me and my friends, of course. Actually I don't understand people who say that school is boring, there are so many things to do there! I think that whether you like school or not is a matter of attitude.

Zadanie 2.

2.1.

- A.** What are you going to do now?
- B.** Well, I'm going to tell her I don't have my homework.
- A.** But... you know the consequences, don't you?
- B.** I know I will get 1. But this is my fault.

2.2.

- A.** Have you brought the book? It's so boring here, I don't know what to do.
- B.** I think you should be patient. There are only three days left.
- A.** Three days? But... they told me I can go out tomorrow.
- B.** I guess somebody was wrong. You should stay in bed at least three days, that's what they have just told me.

2.3.

- A.** Can you pass me the report, please?
- B.** Sure, there you go. Haven't you seen it yet?
- A.** No, I've had no time. There are so many things to do in this office.
- B.** You're right. Take a look at it now. I'm waiting for your suggestions.
- A.** O.K.

2.4.

- A.** Your Honour, I don't agree. The witness is lying.
- B.** Objection! Why do you think so?
- A.** Can I say something?
- B.** Silence, please. We will continue after the break.

Zadanie 3.

3.1.

- A.** I don't understand it at all. It's too difficult for me.
- B.** Oh, don't exaggerate. Maths isn't that bad. You should practise more.

- B.** What is that?
- A.** Physics. It's completely incomprehensible.
